STARZ24 FOUNDATION TO HOST FUN DAY

FOR IMMEDIATE RELEASE:

(Greenwood, South Carolina) Just a few months after the incredibly successful opening of the STARZ24 Teen Center, a collaboration with Boys & Girls Club, Josh Norman's STARZ24 Foundation will host its Fun Day on **Sunday, June 27th, 2021**. The event is held in the summer to gather the Greenwood and surrounding communities for a day of fun and celebration. This year is set to be even more special as the Foundation did not host its touted event last year due to the pandemic.

The STARZ24 Fun Day is open to the public and will be held on the Brewer Field. Guests will be able to enjoy a day filled with sports, games, food, prizes, bounce houses, dunk tank, horseback rides, and all-day family fun and entertainment. Surprises are also to be expected as Norman and his team are planning to make this year the best to date.

"I'm super excited to welcome back the Greenwood and surrounding communities to our STARZ24 Fun Day! I always look forward to this event as we're able to host a day filled with fun and a great time for the kids and their families. I want to continue to show my appreciation unto you all, here in my hometown of Greenwood, South Carolina. This year is going to be extra special, I think everyone needs this following the challenging time we've been through with the pandemic." – **Josh Norman, Founder STARZ24**

About:

The STARZ24 Foundation, a 501(c)(3) non-profit organization, was founded by humanitarian and philanthropist Joshua R. Norman. STARZ24 seeks to engage with global leaders and to sponsor programs which open pathways for children and youth to economic empowerment. STARZ24 seeks also to provide equal access to high quality and equitable education, while encouraging innovation, social entrepreneurship, and future generations of world leaders. The STARZ24 Foundation aims to create enrichment for children through community events & youth programs, inspiring them to become future leaders in science, technology, engineering, math, and the fine arts.

“Boys & Girls Clubs of the Lakelands is excited about their partnership with the STARZ24 Foundation that has led to such an amazing opportunity for our teens. The 8th annual Fun Day is another opportunity to showcase Josh’s generosity and deep commitment to the youth and families in our community.” -**Sabrina Miller, Boys & Girls Clubs of the Lakelands Executive Director**

Boys & Girls Clubs of the Lakelands has been serving youth in the Greenwood Community in their academic focused after school programs since 2019. Since its inception, the agency has served more than 500 youth in their after school programs and through their partnership with Greenwood County that provides recreational sports opportunities for youth in basketball, football, volleyball, and soccer at the Brewer Complex. The agency provides quality and affordable after school and summer camp programs to ensure that students have a safe place to learn and grow, and just be a kid when school is out.
